### HAMSA PLATE #1

\$110

---

#### DESCRIPTION

Designed by StudioPepe for Les Ottomans and handcrafted of porcelain, this plate depicts the Hamsa, a palm-shaped amulet commonly used in Islam and Judaism. Serving as a symbol of faith, happiness, and luck, this stylized depiction features two white dots for the pinky and thumb, a white palm with a central blue dot, and three black-beige fingers, all on a taupe background. A perfect decorative accent to display on a wall, this plate will create a dynamic look on a modern table when arranged with the others of the Hamsa Collection, inspired by the symbols of the Ottoman tradition.
