HAPPY PLANET/SCIIA CIRCULAR LAMPSHADE/BOTTLE

\$310

DESCRIPTION

A set that combines two distinctive objects that can be displayed separately or together, this duo was designed by Dominoni and Quaquaro and boasts a minimalist silhouette and an ethereal allure that will be sophisticated and eye-catching in a modern or contemporary decor. Both crafted of mouth-blown glass, the bottom is the Sciia bottle, in the shape of a transparent cone, while the top is the Happy Planet spherical lampshade that can function as the bottle striking stopper.
