Affreschi & Affreschi

HEART BEATS WARM HUES TEXTURED WALLPAPER

\$285

DESCRIPTION

All Affreschi & Affreschi designs are reproduced on fresh plaster sheets. It is, therefore, a special wallpaper, covered with a layer of plaster obtained with a mixture of 27 precious raw materials, among which Carrara marble and Roman travertine. The output is a natural surface, that evokes that of the ancient frescoes made to measure and finished with care in every detail so that the chosen design emerges in all its beauty. Design by María Dalli. Price is per squared meter.
