HELIOS 4 CANDLE HOLDER

\$370

DESCRIPTION

Embodying classical allure and imaginative flair, this sleek candleholder is a stunning display for elegant tapered candles. Fashioned of clear hand-blown glass, this piece is composed of three horizontal rods that form the jointed base that supports four slender candle holders. This interlocking design can be arranged to the desired configuration (either linear or circular) and the heights of the holders can be modified to the desired length. This sophisticated candleholder will be a luxurious addition to a minimalist or modern living room, dining room, or entryway decor.
