### HELLA WHITE BENCH

\$4,425

#### DESCRIPTION

The unique design of this stunning bench will add an elegant sense of movement and ample extra seating to a contemporary decor. Showcased in an entryway, living room, or beside a minimalist dining table, this bench will make a statement in any room of the house. The metal structure comprises two cylindrical supports for the seat marked with a wavy silhouette. The surface of the piece is given a special aluminum treatment for added visual effect.
