HEN LOUNGE ARMCHAIR

\$2,990

## DESCRIPTION

A striking object of sculptural allure, this lounge armchair will make a statement in both an indoor and outdoor area, infusing it with contemporary sophistication. Boasting an eclectic and captivating geometrical silhouette, it is entirely made of bent steel and its pied-de-poule pattern is obtained through detailed laser-cut work. This piece is also available in other colors as well as with an indoor cushion padded with water-resistant Dry-Fly foam which can be purchased separately, please inquire with the Concierge for further details. Seat height is 37 cm.
