**HENRI IVORY LOVESEAT**

\$2,710

## DESCRIPTION

Perfect for small spaces, this loveseat combines elegance and comfort in a superbly-crafted design. The plywood frame is raised on block feet finished in black lacquer that contrasts with the ivory hue of the Dacron fabric covering. The frame is padded with multi-density polyurethane and the single seat and back cushions have a feather finish. Available also in a sofa bed version with the addition of an expanded polyurethane mattress (12 cm height) on a steel frame, this sofa is offered also with a length of 98, 196, and 219 cm.
