HERBIN EMERALD ARMCHAIR BY ARCHIRIVOLTO

\$8,590

DESCRIPTION

Streamlined lines tracing bold volumes are the exquisite tailored details that define this exquisite armchair. A thin iron base embellished with a bright brass finish sustains the poplar blockboard structure, which is entirely upholstered with emerald-hued velvet offered in a superb rippled texture along the inner and outer sides of both backrest and armrests. Different-density polyurethane foam padding ensures great comfort. Please ask the Concierge for upholstery variants.
