HERRINGBONE BAR CABINET

\$4,760

DESCRIPTION

This simply elegant bar cabinet blends well into mid-century modern and eclectic interiors where it will be an eye-catching statement with its decorative facade. Enriched with a superb inlaid herringbone pattern made of white erable and black pear wood, the sleek, rectangular silhouette features two doors, one that flips down to create a shelf for mixing cocktails and the other with push-pull opening to store bar accessories. Four black-lacquered, brass-capped metal conical feet add instant luxury to this exclusive piece. Customization available upon request to the Concierge.
