## HERRINGBONE COFFEE TABLE

\$2,400

### DESCRIPTION

Combining traditional inlay techniques and modern aesthetics, this stunning coffee table showcases a rectangular top with a graphic herringbone pattern meticulously handcrafted using white erable wood and black pear wood. Exuding a mid-century modern aesthetic, the small black-lacquered conical legs are enriched with polished brass ferrules, adding a luminous and precious touch to this showstopping piece. Please ask the Concierge for available customization options.
