HEX 12-GEM CHOCOLATE GOLD RING

\$135

DESCRIPTION

This modern and elegant ring is part of the Hex Collection, a series of bold pieces that combine a rigorous silhouette with striking finishings and brilliant zirconia. In this case, the hexagonal shape is crafted of 925 silver with 18k chocolate gold with a polished finish. Two zirconia per side illuminate the piece for a total of 12 gems. Either alone or stacked with other rings of the same series, this ring will be an eye-catching jewel for any occasion. The available sizes are 12, 14, and 16.
