HEX 12-GEM PINK GOLD RING

\$135

DESCRIPTION

Part of the Hex Collection, this elegant ring is crafted of 925 silver with an 18k pink gold finish. This delicate shade strikingly contrasts with the geometric silhouette of this piece, adorned around the edges of each side with white zirconia for a total of 12 gems. This ring can be stacked to create dynamic combinations of colors and thicknesses among the various options offered in the Hex series. The available sizes are 12, 14, and 16.
