## HEX 3-GEM PINK GOLD RING

\$125

### DESCRIPTION

Part of the Hex Collection, this ring is crafted of 18k pink gold-plated 925 silver. Its silhouette is a striking hexagon, and one of its sides is adorned with three white zirconia. This ring will be a bold and sophisticated addition to a modern woman's jewelry collection, worn as a statement piece or combined with the other pieces from the same series in different platings or sizes. Available sizes: 12, 14, and 16.
