HEX 3-GEM RUTHENIUM RING

\$125

DESCRIPTION

Sophisticated and modern, this ring is part of the Hex Collection and exudes bold elegance. A striking piece to stack with others in the same series, this jewel is made of ruthenium-plated 925 silver with a polished finish. Its dark hexagonal silhouette is strikingly complemented by three white zirconia adorning one of its sides. This piece is available in sizes 12, 14, and 16.
