HEX BOLD RUTHENIUM RING

\$230

DESCRIPTION

The thick profile of this hexagonal ring gives it a bold character, matched by the striking ruthenium plating of the 925 silver with a sanded finish. Part of the Hex Collection, this ring will be a superb modern addition to a jewelry box both to cherish and gift to loved ones and can be stacked with others of the same series for a striking look. The available sizes are 12, 14, 16, 18, and 20.
