HEX CHOCOLATE GOLD RING

\$110

DESCRIPTION

An exercise in elegant minimalism, this elegant ring will be a precious addition to a modern jewelry collection. The pure hexagonal shape gives it a bold character, while the 18k chocolate gold plating adds a warm glow. This ring is available both in 925 silver with chocolate gold plating (in sizes 12, 14, and 16), in 18k chocolate gold, or 18k yellow gold with an 18k chocolate gold plating. For these two options, the sizes go from 12 to 20, but others are available upon request. Please ask the Concierge for options and pricing.
