HEXAGONAL LOW COFFEE TABLE

\$3,750

DESCRIPTION

A traditional silhouette infused with modern character, this bold coffee table will complement a myriad of exquisite interiors with its sophisticated yet comfortable style. Masterfully crafted of solid wood with a dark palm wood veneer, this hexagonal side table has an elegantly streaked surface and a unique Avoriolina inlay at the center for a striking look. The low and wide design makes this side table the ideal surface to display floral arrangements or small ceramic vases in living rooms or patio decors.
