HEXAGONAL SET OF 2 SIDE TABLES #178

\$7,890

## DESCRIPTION

Fresh and versatile, the modern aesthetic of this set of two hexagonal side tables befits a minimalist living room or patio decor. The hexagonal top made of white Sivec marble is supported by an open, hexagonal frame in brass, the combination of voids and solids enhancing the piece's fanciful allure. The marble's natural luster effortlessly complements the brass' golden shine for a timeless look.
