HIMA BIG FLOWER BLUE PEACOCK SET OF 2 SMALL PILLOWS

\$145

DESCRIPTION

This superb set of two pillows is defined by an eclectic charm, crafted from fine cotton and deftly printed by hand with the traditional "block print" technique for a truly unique effect. Signed by the artist, each piece seduces with its bold borders in deep red, whose hue harmonizes with the central decoration of flowers emerging from a patterned, blue-toned backdrop inspired by peacocks' plumage.
