HIMA BIG FLOWER BLUE PEACOCK SMALL RECTANGULAR QUILT

\$265

DESCRIPTION

Ideal to be paired with the pillows from the eponymous collection for a delightful matchy ensemble, this small quilt boasts a hypnotizing pattern - rendered in blue shades with white detailing - inspired by peacocks' plumage. Three couples of pink and red roses emerge from it, their tones harmonizing with the bold red edges. Deftly printed by hand using the "block printing" technique, every quilt is entirely unique and bears the artist's signature.
