HOLBROOK COFFEE TABLE BY GIANNELLA VENTURA

\$11,510

DESCRIPTION

An exercise in accurate geometrical balance and sculptural aesthetics, this polished coffee table showcases a stunning silhouette comprising a thick wooden top with a mesmerizing marble finish and two light, angular supports made of brass-finished metal. The visual contrast between the lightness of the basement and the majestic impact of the top creates an intriguing effect. The top could be requested with handmade decorated glass or lined with leather. Other finishing and lacquer options are available, please inquire with the Concierge for details.
