HOLBROOK CONSOLE BY GIANNELLA VENTURA

\$9,710

DESCRIPTION

Boasting a sculptural and slender silhouette, this console is an outstanding piece of rare sophistication. Its support structure consists of two angular, brass-finished metal frames bestowing this piece a refined allure. The wooden top showcases a dark marble finish and can be requested in different finishes and colors, hand-decorated glass details, or upholstered in leather, please ask the Concierge for options.
