HORIZON BROWN ARMCHAIR BY ARIK LEVY

\$6,340

DESCRIPTION

The minimalist look of this sophisticated armchair radiates timeless elegance. Inspired by modern architectural elements, the plywood frame is padded with elastic polyurethane foam and Dacron delineates a spacious seating that offers a high degree of comfort. The paneled sides and seat form an H-shape, balanced by the slim backrest that showcases a raised headrest. Upholstered in brown leather, this armchair will stand out in a living room dominated by a neutral palette. Please inquire about customization in catalog fabric, synthetic fabric, leather, eco-leather, and customer's own textiles.
