**HORN CANDLE HOLDER**

\$230

## DESCRIPTION

A stunning addition to a special dinner or a cozy evening, this candle holder is an exquisite and sophisticated piece of functional decor that will best suit a rustic or modern home. Its elegant shape is handcrafted of horn, and includes a handle in brass with a nickel finish, and two housings for candles made in the shape of small glass vases. The result is an object that is unique and boasts the natural decorative pattern gracing the surface of the horn.
