HORN CHAMPAGNE BUCKET

\$480

DESCRIPTION

This stunning piece of functional decor will enrich a dining table, adding lavishness to any special occasion. The structure holds a champagne bottle at an angle, thanks to its one-of-a-kind housing: a piece of horn entirely handcrafted and finished with a natural wax polish. This unique piece rests on a nickel-finished brass base made using the innovative Computer Numeric Control technique. An elegant addition to any decor, this bucket can also be a superb housewarming gift.
