HORN CHANDELIER

\$38,790

DESCRIPTION

This superb chandelier is entirely made in Murano glass that was mouth blown and features a modern silhouette featuring a double base from which two sets of five lights stem upwards opening up to create delicate shades. The precious glass was worked by hand is suspended from the ceiling thanks to a metal structure with a chromed glossy finish. The design of this timeless piece that exudes sophistication and elegance is by Giovanni Luca Ferreri.
