HORN PEN HOLDER

\$440

DESCRIPTION

A lavish and timeless addition to a desk, either at home or in an office, this pen holder is striking, thanks to its rigorous silhouette and the use of horn. This natural material was crafted entirely by hand and finished with natural wax polish to preserve intact its one-of-a-kind allure. Shimmering and translucent, the horn elements are framed in a brass structure whose geometric silhouette was worked using Computer Numeric Control. Either alone or paired with the Horn Tray, this piece will make an elegant statement.
