HORN SCONCE

\$660

DESCRIPTION

An elegant take on a classic design, the Horn sconce is stunning in its simplicity. The brass backplate features a brass bobeché holding a E27 max 42W light bulb and a decorative horn entirely hand-engraved with a spiral pattern that brings a touch of luxury to the entire piece. Complete with a cylindrical shade in beige jute fabric, this sconce will add a stylish focal point in an entryway, bedroom or living room where it will radiate ambient light and diffused illumination suitable for any interior decor.
