HORNBILLAFFE SET OF THREE LIMOGES PORCELAIN DISHES

\$260

DESCRIPTION

This superb set of dinner plate, soup plate, and dessert plate is made in fine Limoges porcelain, entirely crafted in Italy. Its delicate decorations are non-toxic and dishwasher safe and depict an exotic scene of palms trees and luxurious vegetation with the addition (on the dessert and dinner plate) of a whimsical creature with the body of a giraffe and the head of a bird. The set will add a touch of unique luxury to the table, also thanks to the gold trim that adorns each piece.
