HORSE BOTTLE OPENER IN NICKEL

\$70

## DESCRIPTION

This unique bottle opener was made in brass with a nickel finish and its handle is what gives it character and uniqueness. It is shaped in durable ABS to depict the head of a horse with its majestic mane and noble silhouette. Also finished in nickel, to complement the rest of the piece, this handle is a fine example of traditional craftsmanship and gives the piece an elegant look that will bring sophistication to any occasion.
