HORSE WALKING CANE

\$450

DESCRIPTION

Carefully handcrafted according to traditional techniques, this precious walking stick features a stunning sterling silver handgrip resembling a horse's head with its majestic mane. A tip in bovine horn is attached by hand to the sturdy, conical shaft in beechwood with a black-lacquered enriched with a glossy finish. Also available in a brown version, this cane is meant to be exclusively a collectible piece since it is not suitable for support. Like the other Bolcas canes, this walking stick comes in a gift box.
