Bronzetto

HORTUS HELICONIA LEAF SCONCE

\$995

DESCRIPTION

The Heliconia Leaf Sconce masterfully replicates the shape of the tropical plant surrounding the light source creating diffused ambient light that makes it seem as if the leaves float against the wall. Mounted on a brass plate, this exclusive wall sconce of the Hortus Collection is crafted of laser-cut iron with a vibrant green finish embellished with a spiral of gold-finished brass rings around the stem.
