## HUASCARÁN Y HUANDOY WOOL RUG

\$1,820

### DESCRIPTION

It is an Andean handwoven wool rug with hand-embroidered interventions on the surface. The rug was realised by Mama Ashu Women Association. It represents a mountain lion. Eagles and ravens. Deers. A bit of earth magic. Wolves running across mountains. Forests, pines and flowers. The touch of the sun on your skin. The glacier, the water, the river.
