### HUMAN BEING DESSERT PLATE N. 3

\$70

#### DESCRIPTION

Part of the Human Being Collection introduced at Maison&Objet 2019 in Paris, this elegant dessert plate is a superb piece of functional decor that can be combined with other designs in the same series for a dynamic effect. Suitable for a modern or eclectic interior, it boasts a green background with a white frame featuring a Middle Eastern-inspired pattern. Enclosed within the frame are a man and a woman, dressed in traditional garments. Casting a glance toward a variety of traditional cultures, this porcelain dish is a true work of art.
