HUMAN BEING DINNER PLATE N. 3

\$110

DESCRIPTION

This stunning dinner plate is crafted of porcelain and encompasses the rich heritage of a variety of different cultures around the world. Aptly named Human Being, this collection was introduced at Maison&Objet 2019 in Paris and will create a striking effect on a modern or eclectic table. The green background is adorned with a garland of figures variously dressed in traditional clothing of their cultures. This plate showcases a central motif of a man and a woman donning Middle Eastern garment enclosed in an elaborate white frame.
