HUMAN BEING DINNER PLATE N. 4

\$110

DESCRIPTION

This exquisite porcelain dinner plate is part of the Human Being Collection, introduced at the Maison&Objet 2019 in Paris. The collection is a superb display of different cultures and gives a glimpse into the various indigenous clothing traditions from around the world. This plate, in particular, has a pale green background that is adorned with two central male figures depicted wearing the accessories and garments of their native Africa, enclosed in an elaborate white frame. All around the rim, a multitude of other figures surround them, a reminder of the richness of the world's cultures.
