Bertrando Di Renzo

SULTAN COLLECTION PLATE #11

\$77

DESCRIPTION

This spectacular work of art doubles as a functional food-safe plate. Featured on this plate and depicted in all her glory is Hurrem, one of the most important wives of the Sultans, replicated using a hand-applied technique onto handcrafted ceramic. The Sultan collection pays homage to the royalty of the Ottoman Empire, celebrating their ancient traditions. This piece, when combined with others in the Sultan plate collection, can enhance a dining experience or decorate a home.
