Diego Poloniato

HUSSAR AND COUNTRYMAN ON HORSES SCULPTURE

\$3,515

DESCRIPTION

Master ceramist Diego Poloniato chose a sleepy hussar and a drunk countryman on tired horses as the defining subject of this one-off ceramic sculpture. Handcrafted combining semi-refractory clays, the piece is consequently carved with meticulous attention to detail before being fired at high temperatures, treated with pure oxides, and vitrified. The artful subject and exceptional craftsmanship make this sculpture a one-of-a-kind piece.
