I 100 CHARGER #19

\$105

DESCRIPTION

Inspired by the effortless elegance of Japanese art, the decoration gracing this charger features branches of Japanese maple boasting the vivid red hues of autumn. Over the tree, two small birds are perched, their black and white plumage strikingly contrasting with the warm glow of the golden background. Printed on both sides on steel, this decoration will add sophistication and a timeless allure to any table. The pixelated surface of the piece is made to recreate the texture of fabric for a unique final effect.
