I 100 CHARGER #3

\$70

DESCRIPTION

The beige background of this elegant charger is adorned at the corners with the images of two tropical leaves, depicted with vivid colors and a fresh and life-like quality. Entirely made of steel, this piece is part of the I 100 collection that features striking chargers, each with its own decoration that can be combined with others to create a colorful and stylish table. The design is printed on both sides and their surface has a pixelated texture that evokes fabric.
