I 100 CHARGER #33

\$105

DESCRIPTION

The enlarged detail of a tropical leaf depicted in all its vivid details graces the surface of this charger for an elegant and evocative table. The design was printed on both sides of the steel-made piece and features brilliant notes of green and blue on a white background. Part of the I 100 collection, this piece can be displayed with identical ones or combined with others from the same series for a dynamic look. The texture of the charger is pixelated to create a fabric-like effect.
