I 100 CHARGER #8

\$70

DESCRIPTION

This exquisite charger is part of the I 100 collection with fresh and contemporary designs to enrich the look of a table. It was crafted of steel with a striking texture reminiscent of fabric that complements the delicate scene printed on both sides of the piece. Two herons stand in a pond under oversized lotus leaves, evoking a dreamy and serene ambiance. Either displayed with identical ones or combined with other pieces from the same series, this charger will be an eye-catching addition to any meal.
