I SOLI AUTUNNO TRAY BY MARIO DE BIASI

\$180

DESCRIPTION

The evocative design of a sun of this refined round tray is inspired by the luminous colors of Sardinia in autumn ("autunno" in Italian), pairing modern taste with traditional techniques. The piece is handcrafted by expert artisans with decorations obtained through the unique "graffito" technique, which allows the enamels' bright colors to gracefully blend into the terracotta, making each tray a unique piece of art.
