I-TUBE BLACK COFFEE TABLE

\$1,810

DESCRIPTION

Stunning in its sleek and simple silhouette, this coffee table is entirely made of steel and is composed of two elements: a cylindrical base supporting a superb round top. Boasting an elegant combination of textures, the base is finished in a smooth matte black color, while the top has a unique textured finish. This piece is customizable in textures, colors, and dimensions, please consult the Concierge for information.
