ICE BUCKET WITH SQUARE BASE AND SWAROVSKI CRYSTALS

\$5,710

DESCRIPTION

This elegant and timeless ice bucket can also be used to chill bottles of wine. Its classically inspired shape rests on a squared base that is supported by four lion paws. Its body is adorned at the bottom with a sphere that is decorated with expertly rendered oak leaves, and its rim sparkles with real Swarovski crystals. A precious addition to a special occasion, this piece can also be a splendid present or house-warming gift.
