ICE SCRAPS NECKLACE

\$220

DESCRIPTION

Characterized by sleek lines and shimmering reflections, this luxurious necklace will stand out over a minimalist dress or a layered ensemble for formal occasions. Entirely handmade, the necklace's bold silhouette features an asymmetrical configuration of round resin beads of varying dimensions cascading down for an eye-catching aesthetic. The lobster claw clasp and extension chain completes the pieces, providing comfortable wear. Set on a palladium mounting, the transparent resin of these earrings mimics the shine of crystal, adding great infinite reflections in the light.
