ICONS UNIVERSAL CANDLE BY KARIM RASHID

\$100

DESCRIPTION

Part of the Icons Collection by Karim Rashid, who used the four shapes of his Icon series to each of the four containers of this splendid line, this candle evokes something universal. Four cylinders combine the round shape to create a perfect square and enclosed four candles in a resin container plated in pure 999 silver using the eco-friendly method SilvanSputteringAg developed exclusively by Argenesi.
