## IKON BRASS AND TEAK WALL LAMP

\$4,880

### DESCRIPTION

This elegant wall lamp is part of the Ikon collection, featuring a contemporary interpretation of the iconic lantern shape that is both highly functional and charmingly decorative. In this case, the structure of the piece is made of brass with a glossy finish. Its rigorous geometric silhouette is accented on top and bottom with inserts in teak and around the sides with transparent polycarbonate reflectors. The E27 7.5W LED bulb is not included. Like any Nahoor product, this lamp can be customized depending on the customer's need. Please ask the Concierge for details.
