## IL BACIO POLYCHROME GLASS SCULPTURE

\$7,610

---

### DESCRIPTION

Part of the Omaggio a Picasso Collection counting unique glass sculptures inspired by the artist's signature, deformed subjects, this one-of-kind sculpture in polychrome Murano glass depicts two anthropomorphic volumes about to meet for a kiss in a dynamic shape. Submerged, multicolor areas are juxtaposed to textured details in vibrant hues. Each piece is unrepeatable and signed by the artisan.
