IL GRANDE INVERNO MD.30 PAINTING BY MASSIMO D'ORTA

\$8,975

DESCRIPTION

As a part of the "Il Grande Inverno" ("The Great Winter") serie, Massimo D'Orta's painting symbolizes the loss of the artist's love, the long winter of his caged heart that manifests itself in a contained and controlled pain caged in a hypnotic space. A catharsis that does not explode except in the realization of the works. His deep black tones softened by lights and vibrant brushstrokes. The price is inclusive of the frame.
